**November 7, 2010**

Carol Ann Freiler

by Clair & Charles G. Brown

**First Reading: 2 Maccabees 7:1-2, 9-14**

A king tortured a Jewish family, and tried to make them violate the laws. They all refused to give in and violate the laws. All of the family members told the king they would rather die at his hands than surrender their hope of being resurrected by God.

**Second Reading: 2 Thessalonians 2:16 – 3:5**

Paul prays that the Thessalonians will be strengthened by God. He also asks them to pray that God's word will continue to spread, despite the persecution of Christians that was occurring at that time.

**Gospel: Luke 20:27-38**

Jesus encountered some Sadducees who did not believe in resurrection. Jesus refuted them by quoting Moses, who called the Lord the God of Abraham, Isaac and Jacob. Jesus then said. "God is not the God of the dead but of the living. All are alive for him."

Cells derived from the destruction of an child will be used in tests on humans for the first time as a result of authorization from the Food & Drug Administration, according to a July 13 announcement. This decision ignores reported dangers of implanting such cells in humans, and the successful therapy for more than 70 diseases already accomplished with adult stem cells obtained without killing human embryos.

## A Family Perspective by Bud Ozar

The Sadduces' question to Jesus is a story about a family with seven brothers and their sister-in-law. Through story telling families remember their past. Through birthdays and anniversaries we celebrate the present. Family stories expose the companionship of God from generation to generation with our family.

## Bishop's Annual Appeal

### *Be the Living Expression of God's Kindness*

Nazareth Village in Chester is our residence for retired diocesan priests. It is a wonderful place where senior priests live together in community while also helping out at local parishes. Your generous support of the Bishop's Annual Appeal helps supports Nazareth Village and is perfect way to give thanks to those priests who spent a lifetime helping parishioners grow in the faith.

## Reflections on Stewardship 32nd Sunday in Ordinary Time

The hope of the resurrection was what inspired the seven sons and their mother to endure the sufferings recounted in 2 Maccabees 7. That the doctrine of the resurrection is true was affirmed by Jesus in the Gospel reading from Luke 20. The truth of the resurrection means that this life does have meaning and that we are responsible for the kind of stewardship we practice with the time, talent, and treasure God entrusts to us in this life. But we don't have to try to live as good stewards by our own efforts alone. In the reading from 2 Thessalonians, St. Paul tells us that God through his grace encourages and strengthens us.

### SPIRITUAL ADOPTION

*"I can suck my thumb now!"*

#### Second Month:

The developing baby is now called a "fetus," which is Latin for "Little One." She is making rapid progress developing all her external and internal organs. During the second month baby teeth form; fingers and toes are developing. Ears, nose, lips and tongue can now be clearly seen. Brain waves can be recorded. The skeleton changes from cartilage to bone. Forty muscle sets begin their first exercises. This Little One can now suck her thumb. By eight weeks all body systems are present.

*It's not too late to pick up a Spiritual Adoption Card and to begin praying for a baby and his/her mother. Blue cards are located near the doors of the church.*

### St. Paul Inside the Walls

Since being blessed by Bishop Serratelli on September 19th, 43 varied programs have begun at St. Paul Inside the Walls: The Catholic Center for Evangelization at Bayley-Ellard. For details regarding these initiatives, which serve individuals and families at whatever point they may be on their faith journeys, please go to our website at [www.insidethewalls.org](http://www.insidethewalls.org) or contact us at (973) 377-1004.

Since no diocesan funds were used in the transformation of the former Bayley-Ellard High School into the Catholic Center, the Diocese of Paterson extends its gratitude to all those benefactors who personally financed this capital project. Their generous support is a great blessing to all those who will benefit from the programs offered at St. Paul Inside the Walls for years to come.
